### Treasurer's Report

\$21,000 profit from MYAS Tournament. CPAs will be sending taxes soon

### Coach's Comments

Players want to go paintballing again for a summer activity  
Jump Park in Eagan was suggested as an alternative summer activity because the event can be used as a fundraiser.  
Suggested a Friday date in July due to less player/family activity

### Recap MYAS Bball Tournament

We should book the front Eagle hallway next year. We captured more fees because we only had one entrance  
We will be notified in October if we are invited to host again  
Need better parking signage  
Need more open bathrooms  
"No Refund" signage  
Need bathroom signage  
Need to solve the problem of coaches getting in free. We could offer volunteers to seat at the coaches table or have MYAS give coaches lanyards or have coaches confirm who their coaches are.

### CONCESSIONS

Mac and Cheese did not go well  
Smoothies were a hit with a great profit margin  
Did more volume  
Great profit margin on coffee  
Chocolate milk did not go well  
Suggested mini-training for the crew relieving the previous concession crew  
New volunteer position listed for returning items to Sam's Club

### VOLUNTEERS

Shorter shifts suggested  
Update sheets for grade level reps so they can call families  
In order to increase family volunteering, we discussed having each family to write a check to help off-set the volunteer opportunities. After

the Geranium sale and other fundraising opps, if goal is not met, check will be cashed.

Recruit volunteers at Freshman parent meeting. Bring laptop to meeting

Invite NHS - they have community service opps we could use.

Board could have recruited grade level reps early to help with calling to recruit volunteers

Attach a money value to each volunteer opp to help families who are not able to pay

full QB fees.

Could have refs start game early but legally we can't start more than 10 minutes before start time

#### 2018 Geranium Sale

Coach Carlson has extra player packets.

We had 7 people send in solicitation from social media

April 21st is the Blitz

Sign-up Genius is ready to go with volunteer opps

Need to map out areas where players do not live for the Blitz

April 29th Order turn in date

May 19th Pick-up and delivery

#### Low pressure Fundraising Ops

Chipotle Fundraiser

Need at least \$300 in sales to receive 50% of proceeds

We will be posting with Peach Jar. No charge for one posting every 30 days.

Julie Osmonson motion to adjourn meeting. Second by Mike Morris.
