- Geranium Fundraiser: There are a few plants yet to be delivered. The player numbers helped with follow-up. Incentives, checks to players and parent gift cards, were sent out. Buyout amounts were sent to families by email with an invitation to reach out if unable to pay buyout. Approximately \$6,000 is due from buyouts. Goal for fundraiser is \$26,000, currently at \$25,831.
- Game Day Program: Commitments have been received from US Bank for a full-page ad and Twin Cities Orthopedics for the back cover. Past client ads are on file. Products such as gift cards are also welcome.
- Spirit Wear: Players received an email regarding the second round. June 19 is the deadline. Parents will also receive a message regarding spirit wear.
- Wounded Warrior T-shirts: The Wounded Warrior logo cannot be used. T-shirts will be light blue with white lettering. Send ideas to Vickie. T-shirts are needed for BAA Jamboree on Aug. 12. In the past, the Marines have been present. We are home this year, so an announcement will be made. Collections will be taken at the entrance and between first and second quarter. Managers typically make 3-4 signs.
- Upcoming events: Paint Ball on Friday—35/40 slots have been filled, can bump up to 50. Players meet in lot at 12:15 to arrange rides and leave at 12:30. Gatorade will be provided.

July 24 evening practice at 6 pm: offensive/defensive drills, 11 on 11, in full equipment. A mini-parent social was suggested. We need to check if the cafeteria can be reserved for pizza/potluck or Dilly bars for players.

July 30 Iron Man: Cyndi will take photos.

August 4 Football golf tournament: In the past boys sold raffle tickets, carried bags. Old jerseys will be sold.

August 12 BAA Jamboree: Softball sold concessions in the past. Kennedy sells their spirit wear. We sell T-shirts and can sell Jag Rags; water bottles were also suggested. Players help with Punt, Pass and Kick. BAA director has asked for players to coach. Tim suggested that our players coach flag football on Monday nights.

August 26 BBQ after scrimmages: Patty offered to lead. \$1,066 was spent on catering last year. Hot dogs, chips, and cookies were suggested. Freshmen scrimmage on Friday with EP, Champlin Park and Eagan, but will watch video on Saturday. Freshmen parents can be asked to help grill since freshmen are not playing.

Parent social: Lead parent is needed. Julie is available to offer suggestions from last year. \$1,400 was made in 2016.

- Vickie shared an additional fundraising idea: painting logos in driveways. Chanhassen charges \$30/house, Chaska \$45/house. Each logo takes about 45 minutes to paint. Costs are approximately \$30 for a plastic template and then the cost of spray paint.
- Coach's report: Players should be at practice and Jag Power if they are home. It is okay for players to miss practice for a family vacation. Jag Power attendance: 100% seniors, 75% juniors, 65% sophomores, 65% freshmen. It is important for players to be at two-a-days which begin August 14.

Construction in schools has started. There will be new athletic lockers, but we do not know when they will be completed. Equipment handout has started. The equipment fee must be paid online because of the waiver.

7 on 7: Starts Wednesday. Arrive at 6:45. Players need helmet and jerseys. Mouth guards are required.

Gatorade products have started to arrive.

- Next meeting is July 10.
